

MOCK INTERVIEW

A mock interview, also known as a practice interview, is a simulation of an actual job interview. It provides you with an opportunity to practice for an interview and receive feedback. We have conducted mock interview for our final year students on 20.02.2019 as an pre-placement activity.

Mr. G .Balamurali Krishna, Placement co-ordinator, Mr. C. Jerome and Mrs.L. Kalaiselvi have took part as Mock interview panel members and interviewed the candidates. On considering the candidates performance, the panel members gave suggestions and ideas for improvement.

By attending this interview our students learned and practiced their way of dressing, presenting an answer, and communication skills and to be stress-free in their crucial life changing moment.
