Coimbatore - 641014.

All are Cordially Invited

CIT SANDWICH POLYTECHNIC COLLEGE

CIT Sandwich Polytechnic College, Coimbatore, a Government Aided, Co-Educational Institution, established in 1955 and run by Late V. Rangasamy Naidu. The Polytechnic was started in the year 1961. This Educational Trust is to offer post matric level Technical Education in Full Time, Part Time and Sandwich modes, leading to the Diploma from the State Board of Technical Education and Training, TamilNadu, in compliance with all Government and AICTE rules and regulations.

The Polytechnic is to promote and sustain cordial support with the local industries.

- > To promote entrepreneur activities
- > To provide effective placement
- > To organise need based joint venture programmes
- > To impart implant training, industrial visits, expert lectures and consultancy

OBJECTIVES :

- FDP is concerned with the definition of aims and objectives for effective teaching and learning, with the prior specification of what teachers intend to teach or what it is hoped learners will learn
- The programme is designed to motivate and to equip the teaching fraternity to face new challenges.
 - Effective ways to use motivational techniques in the modern day situations.
 - To enable the Faculty of Technical Education to learn new pedagogic techniques.
 - To communicate the educational intent of the course to students and to colleagues.
 - To identify the resources needed to undertake the teaching.

TOPICS TO BE COVERED :

- Motivational techniques
- Atritudinal Values
- Teaching Strategies to facilitate active learning
- Personal transferable skills
- Conceptual knowledge and skills
- Discipline-related knowledge and skills
- Professional ethics
- Health issues for Teachers and remedies
- Yoga for teachers
- Stress Management
