

STUDENTS' FORUM

The Students' Forum organises meetings, competitions and other such co-curricular activities and provides an opportunity for the students to exhibit their talents. The annual festivals of the forum "Poly Fest" is celebrated in the month of December / January every year.

THE INSTITUTION OF ENGINEERS (INDIA) STUDENTS' CHAPTER

The Institution of Engineers (India) Students' Chapter has been functioning in our Polytechnic College since 1978. Meetings addressed by eminent personalities from the industries and institutions are arranged periodically. (All students of Polytechnic College are eligible to become members on payments of a subscription of Rs. 20/- per year for three years.).

The Chapter improves technical knowhow and leadership qualities of students.

After completion of Diploma, the students can enroll as Senior technicians in the Institution of Engineers (India) and are eligible to do AMIE Section A & B to qualify themselves equivalent to Bachelor of Engineering.
